1. Introduction

Welcome to WebHostingM's Free Web Hosting service! This Terms of Service ("**TOS**") agreement outlines the terms and conditions governing your use of our free web hosting service (the "**Service**"). By using the Service, you agree to be bound by these TOS. If you disagree with any part of these TOS, you may not use the Service.

This Free Web Hosting TOS complements, and does not replace, the general WebHostingM Terms of Service found at <https://webhostingm.com/terms-of-service>. By using the Service, you agree to be bound by both this Free Web Hosting TOS and the general WebHostingM Terms of Service. If you disagree with any part of either agreement, you may not use the Service.

2. Service Description

WebHostingM may offer a free web hosting plan that includes features such as cPanel control panel, WP Squared (WordPress management tool), and Plesk control panel.

3. Acceptable Use

3.1 You agree to use the Service in a manner consistent with all applicable laws and regulations.

3.2 **Prohibited Activities:** You may not use the Service for any of the following purposes:

- Storing, transmitting, or distributing any content that is illegal, harmful, threatening, abusive, harassing, defamatory, obscene, hateful, or racially or ethnically offensive.
- Infringing the intellectual property rights of others, including copyrights, trademarks, and patents.
- Engaging in spamming or other unsolicited commercial activity.
- Disrupting or interfering with the Service or any servers or networks connected to the Service.
- Attempting to gain unauthorized access to the Service or any other account or computer system.
- Using the Service for high-bandwidth activities that could negatively impact other users.

3.3 **Website Content Requirement:** In addition to the above, to maintain the quality and integrity of our free hosting service, your website content must offer value to visitors. This means your website should provide informative, educational, entertaining, or otherwise useful content. Content solely for advertising, affiliate marketing, or other promotional purposes without offering additional value may be considered a violation of these TOS.

3.4 **Acceptable Use Policy (AUP):** We maintain a separate Acceptable Use Policy (AUP) that outlines specific prohibited activities and user behavior in more detail. Please refer to the AUP at <https://webhostingm.com/aup> for complete information.

4. Domain Ownership Verification

4.1 To ensure the security and legitimacy of our free hosting service, we require all users to verify ownership of the domain they wish to use.

4.2 During the signup process, you will be provided with a unique verification hostname. You can download a verification record template from <https://webhostingm.com/billingsupport-resources/verification-record.txt>.

4.3 The downloaded file contains instructions on how to create a TXT record in your domain's DNS settings. Please follow these instructions carefully, replacing `_yourverificationhostname.example.com` with the unique hostname provided during signup.

Here's how to complete the verification process:

Download the verification record template from the link above. Open the downloaded file. It will contain pre-filled information similar to this:

```
Hostname: _yourverificationhostname.example.com
Record Type: TXT
Value: "This is a verification record for domain ownership verification
purposes."
```

Important: Replace `_yourverificationhostname.example.com` with the unique domain name used during signup.

- Log in to your domain name registrar's control panel and access your domain's DNS settings.
- Follow the instructions provided by your domain name registrar to create a new TXT record.
- Copy and paste the information from the downloaded file (including the modified hostname) into the corresponding fields when creating the TXT record in your DNS settings. **Make sure to copy the exact string, including the quotation marks.**
- Save your changes in your domain name registrar's control panel.

4.4 Once you have added the TXT record to your domain's DNS settings, it may take some time for the change to propagate across the internet. **Please allow up to 24 hours** for our system to verify ownership.

4.5 After successful verification, your domain ownership will be confirmed, and your free hosting account will be activated or continued without interruption.

4.6 We reserve the right to suspend or terminate your account if your resource usage exceeds the limits of the free plan or negatively impacts the performance of the Service for other users.

5. Account Suspension and Termination

5.1 We reserve the right to suspend or terminate your access to the Service for any reason, with or without notice, if you violate any provision of these TOS or our AUP.

5.2 **Suspension and Termination Process:** In the event of a potential violation, we will attempt to notify you via email and provide an opportunity to rectify the situation. However, we reserve the right to suspend or terminate your account immediately and without notice in cases of severe violations or ongoing threats.

5.3 Appealing Suspensions or Terminations: If your account is suspended, you may appeal the suspension by contacting our support team at [your support email address] and explaining the situation.
